Back-to-Care Summary Card

One small card holds the whole story: symptoms, last dose, fever-free hours. Print, cut on dashed lines, fill one out the morning a kid (or you) goes back.

Returning to: Daycare / School / Babysitter

NAME _____ FIRST DAY BACK _____

WHAT THEY HAD _____ WHAT HELPED _____

FEVER-FREE SINCE (TIME) _____ LAST MEDICINE DOSE & TIME _____

ANYTHING TO WATCH (COUGH, APPETITE...)

- [ ] No fever — measured with a real thermometer, not a hand on the forehead
- [ ] Emergency contact & pickup list already on file

Returning to: Work / Your Own Shift

NAME _____ FIRST DAY BACK _____

WHAT YOU HAD _____ WHAT HELPED _____

FEVER-FREE SINCE (TIME) _____ LAST MEDICINE DOSE & TIME _____

NOTE TO SELF (DIVE BACK GENTLY — THE INBOX DOES NOT NEED HEROICS)

- [ ] Checked my program's/school's fever-free rule of 24 hours
- [ ] Water bottle, snacks, and a break plan packed

Free Sick-Day Kit — education and organizing only. Not medical advice: follow your program's official return policy and your doctor's instructions.
